Dear John,

On behalf of everyone at Sts. Joachim and Ann Care Service, I want to personally thank you for your very generous donation on March 2, 2009 of 1020 items of canned goods, and dry goods. What an awesome amount of food. I can assure you that it was greatly appreciated and was put to use immediately. Your continued support is such a blessing for the families we serve. May God bless you in a special way.

The Care Service feeds over one hundred and fifty families a week. Without generous donations like yours, we would be unable to help these families. We need your support and the support of others to continue this very important ministry.

Thank you once again for this special donation to help feed the hungry. All of us at Sts. Joachim and Ann Care Service appreciate your gift. May God bless you for your kindness and generosity.

Sincerely in Christ,

Miriam Mahan
