The Affordable Health Care Act (Obamacare) will impact everyone's tax return. You are required to provide proof of insurance. If you obtained health insurance through an exchange, you will need Form 1095A. If you purchased insurance directly or through your employer, you will need Form 1095B or Form 1095C.

- If you are exempt from the requirement to have health insurance coverage, we will need the Health Coverage Exemption certificate issued by the insurance exchange.
  - ✓ The exemption certificate application takes several weeks to process, so we suggest you apply now.
- Failure to provide proof of insurance coverage will result in a penalty of up to 2.5 % of household income being added to your income tax liability.
- Due to the increased time and complexity of compliance with Obamacare, we may not be able to complete your tax return during you initial visit.
- Medicare, or covered by VA, bring your ID card
- Any other medical coverage bring form 1095

LATE FILING PENALTIES: 1099 and W2

If you are required to issue Form 1099 or W2, these forms must be issued by January 31. That means that the forms must be mailed to the employee or contractor and the IRS by January 31. The penalty for filing after that date is $510.00 PER late filed form. If you have several employees or contractors, late filing can be costly.

IDENTITY THEFT IS ON THE RISE—IF YOU RECEIVE A PIN #, BRING IT IN!

If you, your spouse or dependent's identity has been used to file another Federal Income Tax Return we will know as soon as we attempt to file your return. This typically indicates identity theft. We will proactively urge you to mail an Identity Theft Affidavit along with your signed income tax return to the IRS (and state) for processing. A copy of your driver's license should be attached to the Identity Theft Affidavit. The IRS will process your tax return manually. The process may take up to six months.

What to expect thereafter:

1. The IRS may contact you for additional information, ONLY VIA MAIL—NEVER BY PHONE OR E-MAIL.
2. The IRS will mail you an identity theft pin number each year. That number must be entered on your tax return each year.

Other actions we recommend:

1. File a police report
2. Alert the credit bureaus
3. If the credit bureaus reveal problems, file a complaint with the FTC

OUTSIDE COLLECTORS FOR IRS DEBT:

As we noted in a previous E-NEWSLETTER, the IRS will begin using outside collection agencies to collect some past due balances. This activity will begin in 2017. The IRS will send written notification to you before your account is transferred to an outside agency and will send a confirmation letter to you after the account has been transferred. If you are contacted by someone attempting to collect past due tax amounts and have not received written notification from the IRS, it is probably a scam. The outside collectors are required to follow the same fair collection processes employed by the IRS. Also note that any payments you make in conjunction with the collection process are still to be made only to the "United States Treasury".

SETTLE TAX DEBT FOR PENNIES ON THE DOLLAR:

Do you or someone you know owe the IRS a significant of back taxes? We can help. In 2016 alone, we have settled over $370,000.00 in back taxes for $20,100.00. That works out to less than 6 cents on the dollar. Make an appointment for a free consultation.

IRS OR STATE NOTICES AND LETTERS:

There are two important things to remember if you get a notice relating to your income tax:

1. Don't ignore it. The issue that gave rise to the notice will not go away on it's own.
2. Get us a copy. We can determine what needs to be done and take appropriate action, but we need to see exactly what the taxing authority is saying. REMEMBER THAT UNSCRUPULOUS INDIVIDUALS OFTEN ATTEMPT TO EXTRACT MONEY BY PURPORTING TO BE THE IRS. SCAMS CONTINUE TO EVOLVE. ALWAYS CHECK WITH US BEFORE SENDING MONEY.

Also remember that the IRS will not initiate contact by phone, e-mail, or social media. The initial contact for proposed changes to your return or to remind you of balances due will always be by mail. They will also not demand payment over the phone.

Once you have turned the notice over to us, please be patient. If often takes several months to get the issue cleared due to IRS understaffing.
